Dear Jazz Lover!

One of the many highlights of the annual Hot Jazz Jubilee held over Labor Day weekend are performances by several youth jazz bands. These young musicians are a revelation, demonstrating a proficiency in jazz improvisation and small combo performance that belies their years. What's even better? Seeing some of them return to our festival in 2022 as adult musicians!

While supporting youth music education and providing scholarships is at the heart of the Hot Jazz Jubilee, the four-day event also provides an economic boost to the Point West/Arden corner of Sacramento – over two thousand people, many from out of town and out of state, attend this family-oriented event every year, staying at local hotels and spending money at local businesses.

While ticket sales provide much of the income for Hot Jazz Jubilee, like all nonprofits we rely on the generosity of sponsors and donors to ensure that our event is both an artistic and financial success. Since a portion of profits from our festival are used to provide scholarships and other educational opportunities to young musicians in the region, donor support is especially needed.

We hope you will consider joining our list of sponsors for the 2022 Hot Jazz Jubilee. In the enclosed packet, we have outlined the sponsorship levels available, but please keep in mind that *every sponsor is unique, and every sponsorship package is customizable to maximize benefit for both the festival and the sponsor.* Our goal is to bring area businesses and festival attendees together in a mutually beneficial partnership.

We look forward to speaking with you and answering any questions you may have about who we are, what we do, and why we do it! You can reach us by phone, text, or email, or via the sponsorship page at <https://hotjazzjubilee.com/>

Sincerely,

Patti Jones
