2024 Hot Jazz Jubilee
SPONSORSHIP OPPORTUNITIES

How can you keep the Music Playing?
By Becoming a Sponsor!

As a non-profit we rely on the generosity of **Corporate and Individual** sponsors and donors to ensure that our event is both an artistic and financial success. Since profits from the festival are used to provide scholarships and other educational opportunities to young musicians in the region, donor support is especially valued.

All sponsorship packages can be customized to maximize the benefit for both the festival and the sponsor.

For more information, visit the sponsorship page at our website or contact us directly at ***lynn@hotjazzjubilee.com***

NOTE: Patron badges have been discontinued and are no longer being sold.
